Enrollment Process for Independent Beachbody® Coaches Requesting Military Waiver

Beachbody offers active duty military, a spouse of an active duty service member not currently enrolled as a Coach, or a military service member discharged from service as a result of injury sustained during service the opportunity to have your enrollment fee (\$39.95 plus applicable tax) refunded, and to waive your monthly business service fee. If you plan to enroll and would like to request our military waiver please complete the steps to complete your enrollment and confirm your eligibility.

1. Enroll online as a new Independent Beachbody Coach by visiting the Team Beachbody website belonging to your intended sponsor. Please be sure to confirm the correct URL which your sponsor can provide to you. If you do not have a specific sponsor in mind, please go to www.teambeachbody.com/coach to enroll.
2. Once you have enrolled online, please provide confirmation of your military status by submitting a copy of one of the following documents to our Coach Relations team: a copy of your current active duty orders, a copy of your LES or a copy of your BIR. **Please note we cannot and will not accept a copy of your military ID.** Documents may be sent to Coach Relations via email or via fax to coachrelations@teambeachbody.com or (213) 201-7225. Please use the military waiver fax cover sheet or include your Coach ID number which is provided to you at the time you enroll.
3. Once our Coach Relations team confirms you are eligible for the military waiver, your enrollment fee will be refunded to you. Please note that if you purchased a Challenge Pack at the time of your enrollment, that \$39.95 enrollment fee has already been waived. In addition, your monthly business service fee will be waived for the duration of your active duty status. If our Coach Relations team cannot verify your eligibility for the military waiver, they will contact you directly to ask for additional documentation.
