FORM OVERVIEW

Use this document to find all of our products in the Team Beachbody® Shop with their corresponding prices, PV, TV, subscription information, and SKUs.

Retail Price – The price a non-Team Beachbody member or free Team Beachbody member pays.

Club Price – The price a paying Beachbody On Demand member pays.

Coach Price – The price a Team Beachbody Coach pays.

PV – (Personal Volume) – Points assigned for purchases made by you or your customers. It is used to determine your active status and rank.

TV – (Team Volume) – Points assigned for purchases made by your downline Coaches and their customers. It is used to calculate the Team Cycle Bonus.

SKU – A SKU is a unique identifier for each product in the Team Beachbody store. Use the SKU to personalize product links, as shown in the instructions below.

Commissions in Bonus Points – Points used to determine commissions to be paid to a Coach each Bonus Earning Period. Bonus Points are a universal currency (1 Bonus Point = 1 US Dollar) to which the company multiplies a currency conversion rate (current rates published in the Coach Online Office) to determine the amount paid to a Coach.

Commissions in Retail Bonus Points – The amount of bonus points given to a Coach for a sale to a retail customer.

Commissions in Club Bonus Points – The amount of bonus points given to a Coach for a sale to a Beachbody On Demand member.

Subscription - All Challenge Packs contain monthly subscriptions for Shakeology or Beachbody Performance, as well as recurring Beachbody On Demand Memberships. Additionally, some individual (non-Challenge Pack) product purchases, such as Beachbody Performance supplements and Beachbody On Demand Memberships, and Deluxe and Ultimate kits may contain automatic subscriptions. All subscriptions and memberships automatically renew and your customer will be charged at each renewal on the credit card they provide at the initial purchase. Your customer may cancel anytime to avoid future charges by calling Customer Service at 1 (800) 470-7870. All subscriptions and memberships are noted in the price charts below.
