What is the Team Beachbody Cup?

- Teams compete to have their names engraved on the Team Beachbody Cup and enshrined in Team Beachbody lore forever.
- A spirited one-month competition where Coaches have the chance to work together, learn the principles of the 3 Vital Behaviors, and earn tons of amazing rewards.
- A great way for Coaches to be recognized for building consistency in their businesses.

How do I assemble my Team?

- You must have five Coaches on your Team, including yourself. One person needs to be the Team Captain.
- Teams may have a maximum of one lifetime Diamond Coach or higher, but this is not required (ie: all five players can be Coach rank). Any member can be a Team Captain.
 - Rank evaluation will be determined as of July 16th (in other words bonus week ending July 15, 2015).
- Coaches can only be registered on ONE Team.
- Coaches must remain on the Team for which they registered.

How does my Team earn points?

- One point will be awarded for every Success Club point earned. Limit of 2 Success Club points awarded per customer.
- One point will be awarded for every Lifetime Rank Advancement of any Coach on a registered Team and their Personally Sponsored Coaches. The last date for rank advancements to count towards Cup points is August 27th (in other words, bonus week ending August 26th) (Please note: Personally Sponsored Coaches do NOT need to be registered for the Team Beachbody Cup to count.)
- One point will be awarded when both a Challenge Pack and a Boost or Performance product are sold to the same customer or new Coach in August. If a Club Performance Challenge Pack is sold, an additional Performance product, or a Boost product must be sold to the same customer in order to earn the extra Team Cup point. Limit of 1 point awarded per customer regardless of number of Boost or Performance products sold to customer.
- Limit 35 points overall per Coach.
